## *Wines*

Our wine list from the main restaurant “Schloss Dürnstein” provides a good choice of regional and international wines. You can download it from our website. Not all of the listed wines are available for big events. Please let us know your first choice and we inform you about more details.

Wines taken from the Schloss wine card are subject to a 10% discount when reserved for an event in the Küffer Keller. In addition to this wine card you are always welcome to make your choice out of the good but cheaper wines served in our Grill restaurant regularly.

We can especially recommend our home brand wines: “Riesling vom Schloß – vinified by Toni Bodenstein, Winery Prager” and “Blaifränkisch Schloß Dürnstein, Winery Gesellmann”. A discount of 10% will be granted onto those wines if there is a minimum of 10 bottles per wine that have been consummated.

Please note that we accept further wines only at exceptional occasions. The cork fee is between € 28,00 and € 38,00 per opened bottle.

Billing is upon the actual consummated bottles.
